About Hotel Arista:

Hotel Arista is located just off I-88 in Naperville, Illinois, 30 miles west of downtown Chicago that twice was named to *Money Magazine's* annual list of "Best Small Cities in America." The property, affiliated with Preferred Hotels & Resorts, is the state's first LEED-certified hotel and was developed by Calamos Real Estate LLC Development, and designed by Chicago-based Lohan Associates LLC.

Hotel Arista serves as the focal point of CityGate Centre, a one-million-square-foot, mixed-use lifestyle center. The hotel features 10,000 square feet of meeting space, and has a 12,000 square foot spa and wellness center in development. The property is also home to SugarToad restaurant and newly-opened CityGate Grille, which offers American regional cuisine with Mediterranean influences. Additional information about the property can be found online at www.hotelarista.com.
